Several farmers have moved from other States into the northern portion of Leon county within the past few weeks, and have been several times to the city for the purchase of goods. If the people of the county, without regard to little personal jealousies, would but unitedly work for new residents, the white population of the county would be doubled within two years.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

In Loving and Grateful Memory of

Dr. Sanderson.

Is the day so bright,
And the night so silvery,
Since thou, dear teacher,
Art gone for ever!

Noble, true and earnest,
Is thy work so soon
On this earth ended,
Work for thy King?

Ah! never, never!
Anthems of the ages ring,
From the seeds of thy planting
Futurity shall gather blossoms.

Dear, departed spirit,
Leave not thy pupil
To tread life's tangled ways
In stumbling and in doubt.

Still by thy guidance
Lead thy erring pupil;
Dear teacher, still
Thy rich wisdom lend.

—A Pupil.

Is Meeting His Many Friends in Tallahassee Today.

Hon. Dannitte H. Mays, of Monticello, Congressman from this District, is in Tallahassee today meeting his many friends. The ability of the gentleman was recognized in Congress by being given several fine committee appointments, and being placed on the Democratic Executive Committee, where he is expected to perform some very effective work.

The gentleman is now making a preliminary canvass of the district before his return to Washington in December.

Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney troubles, and that she is now well—and that these Pills are what cured her.

They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid prep-

arations are apt to do. E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these Pills will be sent free by return mail post-paid. Do it to-day.
